Welcome to one of Southern Frederick County's most exceptional luxury estates, located in the highly sought-after Urbana High School district. This breathtaking property sits on over 1.4 acres of beautifully landscaped and fully fenced grounds, offering the perfect blend of rural serenity, timeless elegance, and refined functionality. As you arrive, a newly paved and sealed circular driveway framed by stunning stone columns creates a grand entrance and offers ample parking for guests. A detached one-car garage adds even more convenience and versatility. This stately home immediately captivates with its architectural presence and thoughtful design. Step through rich mahogany French doors into a gracious foyer with polished hardwood floors and fresh paint throughout. Natural light pours into every room, showcasing the home's elegant craftsmanship, soaring ceilings, and high-end finishes. The flowing floor plan is both open and inviting, while still offering distinct spaces for entertaining, relaxing, and everyday living. At the heart of the home, the fully remodeled kitchen is a chef's dream. It features sleek countertops, top-of-the-line stainless steel appliances, custom cabinetry, and an expansive island perfect for casual meals or conversation. The kitchen opens directly into the dramatic two-story great room, where towering windows frame idyllic views of the backyard and surrounding farmland. This home offers six generously sized bedrooms and eight bathrooms, including a luxurious

primary suite that functions as a private sanctuary. Enjoy a separate sitting area, a walk-out deck overlooking wide-open fields, and a spa-like bathroom complete with a soaking tub, walk-in shower, and dual vanities. Every detail in this home is built for comfort and flexibility. The rough-in for an elevator on each floor—currently used as oversized closets—adds an incredible opportunity for future accessibility or multigenerational living. It's a rare and thoughtful feature that truly future-proofs the home. The fully finished lower level offers over 2,500 square feet of additional living space and is ideal for extended family, guests, or even income-producing potential. It includes two bedrooms, a second fully remodeled kitchen, a large living space, a private theater room, and multiple separate entryways for added privacy and ease of access. Enjoy every season in the four-season conditioned sunroom, which brings the outdoors in with floor-to-ceiling windows, making it the perfect spot to sip your morning coffee or unwind with a glass of wine. Step outside and follow charming stone pathways that wind through lush gardens and lead to a fenced backyard oasis—ideal for entertaining, outdoor dining, or simply relaxing in complete privacy. This estate is also loaded with high-value upgrades: a brand-new roof, new well pump, a blue-light UV water filtration system, and a two-year-old hot water heater, all offering long-term peace of mind. These improvements blend seamlessly with the timeless architectural features and provide both modern convenience and enduring value. Located just minutes from Urbana's vibrant town center, award-winning schools, shops, and commuter routes, this property offers a rare opportunity to own a luxurious, move-in-ready home in one of Frederick County's most desirable areas.
